

## Record of Use: Small Scale Testing of Experimental Pesticides Applied Off Cornell Property (Fall)

To be completed by researchers when experimental use pesticides are applied to property other than that owned by Cornell University. Experimental use pesticides include 1) those requiring either a Federal or State EUP or 2) those used on a small scale for off-label or new-label research. Complete one sheet per product. If on campus, submit all forms to Eric Harrington, 416 Kennedy Hall, Cornell University, Ithaca, NY 14853. If off campus, submit all forms to Eric Harrington, 416 Kennedy Hall, 215 Garden Avenue, Cornell University, Ithaca, NY 14853
