

Transporting Pesticides: Resources

DOT Training

To obtain DOT training - required if you ship, receive, or transport hazardous materials in anything other than a state vehicle - contact:

Michael Lonon; EH&S
607-255-8200

Environmental Health and Safety Web Site

<http://www.ehs.cornell.edu/lrs/hazshipping.htm>

Contains information about shipping, receiving and transporting hazardous materials; provides access to Cornell University Bill of Lading form (a.k.a. Hazardous Material Shipping Paper).

Environmental Compliance Office

For reporting spills off-campus: 607-254-8722

Pesticide Management Education Program

For questions about transporting pesticides and fertilizers: PMEP
607-255-1866

CALS Shipping Paper

For transporting < 1000 lbs. of pesticides or other hazardous materials in a state vehicle:

Mary-Lynn Cummings
607-255-2557

Magnetic Material for DEC Pesticide Signs (triangles)

Drew Domineske Signs
796 Pheasant Run
Cortland, NY 13045
(607) 753-7949

References

From J.J. Keller:

Hazardous Materials Compliance Pocketbook: \$2.50 each for 25-49 units

Emergency Response Guidebook: \$2.88 each for 12-24 units, pocket size
